SUBJECT: **SURVEY ON THE OPENING OF CLASSES FOR SY 2020-2021**

DATE: **APRIL 20,2020**

---

As part of the government's effort to contain and mitigate the spread of COVID-19, the country has been put on varying levels of quarantine and has established stringent social distancing measures. These as well as other government interventions necessary in the management of COVID 19 are expected to have implications on the Opening of classes for SY 2020-2021.

The Department of Education is conducting the survey to better inform its policies and decisions on the Opening of classes for the next school year as it values the consultation and involvement of its stakeholders in the decision making process particularly those who will be significantly affected by the decision to be made.

Relative to this, school heads are enjoined to make this Memorandum be widely disseminated to parents/guardians, teachers, learners and school personnel to participate in the survey through any of the following links:
